PROFESSIONAL SUMMARY

Motivated and detail-oriented Physics post-graduate with a strong foundation in analytical problem-solving, scientific research, and cloud computing fundamentals. Possesses excellent written and verbal English communication skills, with a proven ability to analyze complex data, execute technical projects, and adapt quickly to new technologies and platforms. Seeking opportunities as an AI Trainer, Data Annotation Specialist, or Content Evaluator to leverage strong academic rigor and technical expertise for project success.

EDUCATION

- **Master of Science (M.Sc.) in Physics** | The Madura College | 2022 – 2024
  - Graduated with 69% aggregate.
  - Key Coursework: Quantum Mechanics, Solid State Physics, Thermodynamics, Electromagnetism, Computational Physics, and Mathematical Physics.
- **Bachelor of Science (B.Sc.) in Physics** | The Madura College | 2019 – 2022
  - Graduated with 70% aggregate.
- **Higher Secondary Certificate (HSC)** | P.K.N. Girl's Higher Secondary School | 2017 – 2019
  - Achieved 70% aggregate.
- **Secondary School Leaving Certificate (SSLC)** | P.K.N. Girl's Higher Secondary School | 2017
  - Achieved 94% aggregate.

ACADEMIC PROJECTS

- **Crystal Growth Analysis via Slow Evaporation**
  - Synthesized organic/inorganic crystal samples by mixing specific acid and base compounds to facilitate controlled chemical reactions.
  - Monitored and documented the slow evaporation phase over extended periods to evaluate crystallization kinetics, structural purity, and optical properties.
- **Molecular Docking Simulation & Computational Analysis**
  - Utilized computational physics and molecular modeling tools to analyze ligand-protein interactions and binding affinities.
  - Interpreted simulation datasets to evaluate potential biomolecular applications and structural stability.

TECHNICAL & CORE COMPETENCIES

- **Technical Skills:** Cloud Computing Fundamentals, Networking Protocols, Data Analysis, Scientific Research Methodologies.
- **Soft Skills:** Critical Thinking, Analytical Problem Solving, Advanced English Comprehension & Composition, Team Leadership, Fast Learning, Self-Confidence.
- **Languages Spoken:** English (Fluent Reading, Writing, Speaking), Tamil (Native Reading, Writing, Speaking), Hindi (Basic Reading).

INTERESTS & ACTIVITIES

- Analytical Mind Games: Strategic chess playing.
- Creative Arts: Pencil sketching and freehand drawing.
- Continuous Learning: Reading contemporary literature and scientific publications.
